Transplant Support Group

Please come, check us out and become as involved as you want. We are a great group of people and want to expand. You would be most welcome.

Meetings commence at 6:30 with a meal followed by any announcements and/or pertinent information. The meeting closes with a round table discussion. We must clean up and vacate the building at 8:00pm.

We as recipients have a common purpose, to deal with post transplant conditions of our bodies, and take medications to keep us alive.

By attending a meeting you no longer feel alone and can share with other support people, candidates and recipients.

Meetings are free and open to the public.
